ELIZABETHAN SINGERS MUCH ENJOYED

Concert Staged Under Auspices Of United Church

The Elizabethan Singers of Victoria paid a visit to Sidney last Friday evening under the auspices of St. Paul's United Church and staged a concert of admirable quality and quantity in Stacey's Hall.

There was a good response on the part of those who love good music, and judging from remarks heard afterwards, all had a good time.

The singers, comprising Miss Dorothy Parsons of The Victoria Light Opera Society and gold medalist, Victoria Festival; Miss Phyllis Deaville, Jack Townsend and Dudley Wickert, included in their repertoire songs of all types, popular sea chanteys, madrigals, opera, as well as old ballads. They were accompanied by Miss Maquinn Daniels, L.R.S.M. Several encores were demanded and given, and apparently the singers as well as audience enjoyed themselves immensely.

Mrs. W. H. Lowe entertained the group after the performance.

SOCIETY TO REVIEW ACTIVITIES

New Interest Sought By Horticulturists; Your Co-operation Will Help

A meeting of all those who are interested in gardening and the improvement of the district is called for Thursday, March 10th, when it is hoped to revive the activities of the North and South Saanich Horticultural Society.

This society has in past years accomplished much useful work by the promotion of children's garden contests, the holding of flower shows, by potato club contests, and in many other ways.

Owing to lack of interest and support of the public it was found difficult to carry on during the past few months.

All those interested in seeing this society revived and also in gardening and in the improvement of our district are asked to attend this meeting and their suggestions will be gladly received.

The meeting will take place in Wesley Hall, Sidney.

Mr. Winston Churchill is credited with the following definition of a parliamentary candidate: "A man who is asked to stand, wants to sit, and is expected to win."

SUCCESSFUL YEAR FOR CHAPTER

H.M.S. Endeavor Chapter Holds Annual Meeting

The following is the annual report of H.M.S. Endeavor Junior Chapter, I.O.D.E.:

"H.M.S. Endeavor Chapter has had a very busy and successful year.

"In the past year the chapter has completed a study of all the parts of the British Empire. At each meeting the members answered the roll call with interesting facts about a given part of the Empire. From February to May, Kongkong, Borneo, New Guinea and small islands in the Pacific were studied, which completed a study started the previous year. The next month each member read a fact about the Royal Family and from then on it was decided that each bring a picture or an article about the Empire.

"In March 45 pounds of clothing were sent with Percy Wills of the Shantymen's Mission to be distributed among families along the West Coast. Then, in April, the chapter sent 30 pounds of winter clothing to a family in Tupper Creek. The remainder of clothing on hand was sent to the North Saanich Welfare Club. At Christmas 25 pounds were sent to one family and 35 pounds to another in the Peace River district; 10 pounds of toys, books and magazines were also sent, which makes a total of 150 pounds of clothing mended and over 10 pounds of magazines and toys sent by this chapter.

"The Endeavor Chapter sent the Coronation issue of an English magazine to the Kingsfisher School at Enderby and at Christmas renewed the subscription to the Canadian Geographical Magazine for the same school.

"The chapter attended the St. George's Day service in April and in November attended the Remembrance Day service.

"There was a special meeting in June to appoint Miss Gwen Hollands regent and Mrs. George McLennan honorary regent, owing to the resignation of Miss Jost.

"The honorary regent, regent, secretary and treasurer attended the provincial semi-annual meeting at Duncan in October.

"Also in October seven members of the Royal Bride Junior Chapter of Victoria attended the regular meeting.

"The executive was made the committee for planning the silver tea to be held in April.

"Since February, 1937, membership has been increased by eight, making the membership now 17."

SAANICHTON, March 2. — A meeting of the ladies of the North and South Saanich Agricultural Society was held in the Saanich Pioneer Log Cabin on Wednesday afternoon, Feb. 23rd, with Mrs. R. E. Nimmo presiding.

After reading of the minutes and financial report, including report of recent card party, Mrs. Nimmo was unanimously re-elected as general convener.

Committees were appointed for the various sections covering flowers, jams, etc., household arts and school work. These sections were then revised and it was recommended that the ladies' fancy work section be thoroughly revised and brought up to date — also that copies of this section be prepared at a later date in order that they could be obtained on application before the prize lists were available.

Joint Meeting, W.M.S. And Ladies' Aid, At Pender

PENDER ISLAND, March 2. — A joint meeting of the Women's Missionary Society and United Church Ladies' Aid Society took place at the home of Mrs. A. H. Menzies on Friday, Feb. 25th, at 2:30 p.m., Mrs. S. P. Corbett presiding.

At the conclusion of the above meeting the Ladies' Aid held its annual meeting, at which the election of officers took place for 1938. By unanimous vote all officers were re-elected, as follows:

President — Mrs. Sones.

Vice-President — Mrs. Mollison.

Secretary — Treasurer — Mrs. Tiege.

The hostess then served refreshments.

NORTH SAANICH VOLUNTEER FIRE BRIGADE NOTES

Yesterday evening (Tuesday) the usual meeting was held in the fire hall. The early part of the evening was devoted to an interesting demonstration of a new fog-producing nozzle which has been made and donated by Dr. E. H. Black of Deep Cove. Several tests were made with it, using gasoline on rags set alight. The demonstrations proved that this nozzle would be very efficient. This type is extremely useful in interiors where its fine spray will blanket a fire with outdoing the serious damage to furniture, etc., that a heavy stream of water would do. In the same way this fine spray can be used on chimney fires, as it will not damage the brickwork.

For the rest of the evening each member in turn was fully instructed in how to start the pump, and then started the engine and primed the pump by himself. The members of the fire brigade are now becoming quite familiar with all the equipment and how to operate it.

Coffee and buns were then enjoyed before dispersing.

Those present included:

Chief Tom Morgan, Arthur Gardner, Newall Copeland, George Wylie, B. Baldwin, Jack Skinner, Stephen Jackson, "Sonny" Cochran, Hugh Christie, Les. Stirling, Pete Hemphill, Boden Storey, Tow Simpson boys, George Gray.

Dr. Black, Constable George Gauld and F. N. McNeil, a retired fireman from Saskatoon, kindly assisted during the evening.

Spring Fever

By ISLANDER

Oh, I would sing a song of Spring
Of bees and birds and everything
No, that's not right, for bees don't hum
Until the summer sun has come
Well, anyhow, the snow has gone
My heavy overcoat's in pawn
The flowers, their petals bright unfold
And I have a heavenly cold
I revel in Spring breezes sweet
And slash around with maddy feet
The trees are budding everywhere
The birds are flitting, here and there
Boys and girls are making plans
Some talk of putting up the banns
Smaller girls, and younger boys
Have packed away their winter toys
Girls in slacks, and boys in shorts
Preparing for the summer sports
Oh, darn it, there I go, once more
Bringing summer to the fore
I started out to write of Spring
But just can't think of anything
I'll have to wait, I somehow fear
Till Spring comes round again next year.

Regularity!

To Merchandisers . . .

You sweep out, you trim the windows, you dust off the counters, you make up new price cards, you unpack and arrange new stock, you plan your merchandise showings, you do these and a hundred other necessary jobs REGULARLY in the normal conduct of your business.

But how about the biggest job of all—contacting the people and telling them repeatedly that you are in business and have the goods they need. Do you do that REGULARLY? Do you figure you are going to get your share of the available business if you don't tell folks about your merchandise or your service at REGULAR intervals instead of doing the job spasmodically or not at all?

By all known tests, experience and thousands of records, the acknowledged best-of-all medium for REGULARITY is advertising in the local newspaper. A newspaper going REGULARLY into the homes of your possible customers, not only in your city but the surrounding territory as well, makes it easy enough for anyone to see how your local newspaper offers you the finest kind of vehicle for carrying your business message REGULARLY to the people.

And don't think these folks won't miss your REGULARITY of advertising. They look for their newspaper REGULARLY, read it REGULARLY, study its advertising (yours, if it's there) REGULARLY.

And what's more, you'll find they are buying REGULARLY, too, if you'll just check up, especially with the advertisers who do use space REGULARLY.

Yours for more REGULARITY in advertising.

APPEAL BY THE WHITE CROSS

Sir:—May we request the indulgence of your columns, Mr. Editor, in a campaign for justice and liberty throughout the world?

In reprisal for:

1. Indefensible aggression against a peaceful nation which is innocent of any act to justify a war.

2. The demoralization of the Chinese people in the territories now under Japanese control by encouraging the use of narcotics.

3. The revolting conditions in opium dens fostered by the Japanese.

4. The threat against the health and morals of all nations by their illicit traffic in narcotics.

5. The violation of all rules of humane warfare in the destruction of undefended cities, towns and villages.

6. The destruction of the means of subsistence, and eventual death from starvation, of millions of peaceful Chinese.

7. The deliberate inauguration of a reign of terror throughout China to destroy the morale of the Chinese people.

8. The barbarous execution of Chinese prisoners whose only offense is that they defend their country.

9. The merciless massacre of men, women and children.

10. The rape of Chinese women by Japanese savages.

The White Cross, which for a thousand years has fought for the poor, weak and oppressed, appeals to every citizen in Canada and abroad to boycott all Japanese merchandise at once and forever.

Eric Elwell of the Saanichton Meat Market was appointed sergeant in the Saanich Police force at a recent meeting of the Saanich Police commission. Mr. Elwell will fill the vacancy occasioned by the resignation of Sergeant P. K. Cummings. Mr. Elwell was a former member of the police force.

Many people in the district attended the memorial service for the late Dean of Columbia, Rev. C. S. Quainton, held last Friday, Feb. 25th, at Christ Church Cathedral. Rev. T. R. Lancaster, local rector of St. Andrew's and Holy Trinity Anglican Churches, read the lesson, while a former rector of the local churches, Rev. T. M. Hughes, intoned the opening prayer.

Dr. Wm. Newton, plant pathologist of the local Plant Pathology Laboratory, addressed the members of the Victoria Horticultural Society last night (Tuesday) at their meeting in the council chamber of the City Hall. He explained some of the early theories and experiments of plant culture and discussed a number of the newer processes of cultivation.

Morning worship will be observed at St. Paul's United Church next Sunday, the first Sunday in the month. Evening service will be held at South Saanich. The morning service will commence at 11 o'clock and will be followed by celebration of The Lord's Supper. The Dominion Government survey ship S.S. William of Stewart will resurvey the approaches to James Island early this season. Recently the motorship Lochkatrine carried away a portion of the dock structure at the island owing to strong ocean currents in that vicinity.

Following the custom commenced last year a joint mission service for the North Saanich parish is being held each Wednesday evening during Lent in St. Andrew's Church, Sidney. The services commence at 7:30 p.m. and last approximately one hour. The general subject of the mission this year is "What we believe; and why we believe it." A question box will be provided at the door of the church into which questions relating to the church and its faith may be placed. These questions will be answered the week following their receipt.

There will be a complimentary showing of beautiful colored moving pictures of Europe and the Coronation, taken by Mr. H. J. Pendray on his recent tour of Europe at the Mount Newton High School on Friday, March 4th, at 8 p.m. The president of the Victoria Rotary Club cordially invites you to be present.

The men's supper meeting is scheduled for next Wednesday, March 9th, at 6:30 p.m. in Wesley Hall. At time of going to press the name of the speaker and the topic is not available, but an outstanding event is anticipated.

Winners at the Sidney Social Club on Tuesday night were Messrs. Foster, Neeves, Clay and Fralick. A very enjoyable entertainment of 500 and refreshments were the order of the evening.

The doctor, when visiting the Deep Cove School last week, discovered several cases of chicken-pox. Parents would be wise to take precautions against the spreading of this disease in the district.

A baby girl was born to Mrs. M. Butler of Keating at Rest Haven, Feb. 22nd. Among other patients at Rest Haven are Mrs. Evelyn Carmichael of Saanichton and Mrs. Wm. Roberts of Sidney.

The first daffodil of the season was brought to the Review office this week by Frank Critchley. This must be a sure sign of spring.

The North Saanich High School girls defeated the Victoria High School girls in a grass hockey game, 4-1, on Thursday afternoon on the Fernwood grounds. E. McKenzie scored two goals and K. Primeau and D. Johns one each for the winners. In the game last night (Tuesday) the local girls lost to Oak Bay 4-1. Joan Butler was injured in the second half, thus weakening the local team.

BRENTWOOD BAY

The bridge party held last Monday at the home of Mrs. W. Watt, in order to raise funds for the Women's Institute, was much enjoyed. A sum of \$10.50 was handed over to the institute as the proceeds of the evening's affair.

The fortnightly party was held on Wednesday evening by the Women's Institute with four tables in play. The winners were, first, Mrs. Warner and Mr. Brandon; second, Mrs. Perrier and Mr. Taylor; consolation, Mrs. Brandon and Miss Fraser. The sum of \$20.60 was raised at the bridge party for the West Saanich School.

The next meeting of the institute will be held in the hall on Tuesday, March 8th.

TWENTY-FIVE YEARS AGO

Taken From The Review
February 28th, 1913

The Sidney Branch of the Merchants' Bank spent all day Tuesday and part of Wednesday moving their offices and banking business to the new building which was erected for them by James Critchley on the northeast corner of Beacon Avenue and Third Street.

Mr. Hugh Moore, an old timer of '89 vintage, is showing his patriotism by erecting a bungalow of seven rooms on First Street between Bazan Street and Beacon Avenue at a cost of \$1,200.

Julius Brethour, who had a very severe attack of the la grippe last week and was confined to the house for a few days, is able to be out again.

The masquerade ball given by Mr. Fred Humber in the Agricultural Hall at Saanichton on the 20th was the most brilliant affair ever conducted on the Saanich Peninsula, about 200 couples taking part, and enjoying the exhilarating pastime of the mazy waltzes, two-steps and schottisches to the life-giving music of Bantly's orchestra of Victoria. . . . The prizes were awarded to the following ladies and gentlemen: Best dressed lady, Mrs. Wolf, "Queen of Nations," solid gold bracelet; best dressed gentleman, Mr. Wolf, English Knight, solid gold watch fob, stock in trade; Miss Speed, "Blue Ribbon Tea," solid silver handbag; second gentleman, W. Walker "Blue Beard," pair military hair brushes; third lady, Miss Mackenzie, "Flower Girl," solid silver cream jug and sugar bowl; third gentleman, H. Munch, "Cow Boy." A party of some hunters, comprising George Brethour, "Andy" Anderson and Jack Roberts, went out last Sunday with blood in their eyes and came home with their optics full of goose down, having bagged 16 of the feathery monsters along with 22 ducks. Last Saturday night that aggre-

gation of young and stalwart athletes known as the Sidney Basketball team, fell upon their rivals from Keating in such an unmerciful manner that made them look like the big boy taking candy from an infant in a cradle. . . . Although the Keating boys are credited with a score of 6 it was in the shape of a plum. If the young men from down the line will take a quiet little tip from an old sport who has been through the mill and whose heart is in the right place but whose flesh is weak, they will eat a lot more good, fresh beef, practice regularly for a couple of hours daily for the next year or so, and get some good player to coach them on combination playing and pitching to the basket and then try Sidney another game.

"It was worthless until properly advertised"

For a long time it was a failure. No one would buy a Gillette Razor. In desperation King C. Gillette began giving razors away. But it did no good.

It was not till nearly ten years later, when an advertising expert came along that Gillette Razors began to boom. In a few years Gillette was a rich man. His company came to have a capital of £6,000,000 with a profit of £1,500,000 and factories all over the world.

One fact stands out: THE IDEA WAS WORTHLESS UNTIL PROPERLY ADVERTISED.

Why shouldn't you benefit by advertising? Harness the "power of the Press" to your own problem. Tell people about your product or service. And keep telling them! It's the hammer, hammer, hammer that brings the business in. Remember —

Everybody Reads Newspapers

Review Advertising Pays

BARNUM Was Right

The one and only P. T. Barnum is alleged to have said many things that never found their way into our copybooks . . . things to which few of us would wish to subscribe. But he uttered a profound truth when he said: "If you don't advertise your business, the sheriff will."

Firms which intend to stay in business, that is, firms which deal directly with the public, must advertise. By the same token, it is a sign that they mean to stay in business when they do advertise. For they are offering, through advertisements, their very best values.

You, the customer, will decide whether or not they ARE values. If they are not, it is "just too bad" for the firm that claimed they were. Don't you see, therefore, that no merchant can afford to misrepresent himself or his goods in print? Advertising merely magnifies a misrepresentation — brings the fatal day nearer.

Naturally, then, you can trust the advertisements in this paper. You can believe that the businesses behind those advertisements want your trade, and are willing to earn it — with honest values and fair treatment. Read the advertisements. Patronize the advertisers. It is to your own interest to do so.
